

# LYME INNOVATION

## ***Be Part of the First-Ever Lyme Hackathon***

**Prizes will be awarded starting at \$5,000!  
Microsoft Nerd Center  
Cambridge, MA  
June 17-19**

Calling all students, innovators, scientists, and clinicians to learn about and address an evolving epidemic. **Make a difference. Make history.**

300,000 new cases per year in the US

Fastest spreading vector borne illness in the world

No cure for the chronic illness that can result from Lyme infection

No accurate diagnostics

**RSVP:** [lymeininnovation.org/upcoming-events](http://lymeininnovation.org/upcoming-events)

*\$5,000 prizes will be awarded to the top 5 teams on June 19th, and the top five teams will be invited to compete for a grand challenge in Fall 2016 with prizes ranging from \$5,000 - \$25,000.*

**Presented by:**

HARVARD MEDICAL SCHOOL  
TEACHING HOSPITAL
